CONTROL OVER MILLETS IN THE MYSORE STATE.

In consonance with the revised policy of the Government of India relating to millets and other coarse grains for 1952-53. the present restriction on the export of millets from any place in the Mysore State to any place outside the Mysore State will continue as provided by the Foodgrains Export Control Order, 1948. By the issue of the Paddy Acquisition (Harvest) Order, 1952 and the repealing of the Articles of Food Acquisition (Harvest) Order, 1949, all restrictions on the movement of millets within the State are removed.

But so far as statutorily rationed areas in the Mysore State are concerned, millets continue to be rationed commodities and the transactions in millets by people other than authorised dealers are prohibited under clause 5 of the Mysore Rationing Order (Food) No. 2.

It is therefore ordered that the free movement of millets (ragi, jola and milo) from and into the statutorily rationed areas is prohibited except for the movement of a quantity not exceeding five seers per adult for *bona fide* personal consumption. The Mysore Rationing Order (Food) No. 2 has been suitably amended.
